## ABOUT ME

Hi, I'm Muahmmad Dawood Siddiqui, a passionate web developer with a keen eye for detail and a love for creating dynamic, responsive websites."With expertise in HTML, CSS, JavaScript,Typescript,Node.js and React.js, I transform ideas into physical web experiences. Over the years, I have honed my skills in front-end development,by being a part of Governor initiative in which i improve my skills focusing on JavaScript,Typescript,Html,CSS and Node.js. Currently i am learning About UI/UX design .My honesty is always to understand the client's work thoroughly and then exceed their expectations with high-quality work.
